§572.405 Nondiscrimination and equal opportunity requirements.

In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, the following requirements apply to homeownership programs under this part:

(a) *Modification of fair housing and nondiscrimination requirements for Indian tribes and IHAs.* (1) The Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) applies to tribes when they exercise their powers of self-government. Thus, it is applicable in all cases when an IHA has been established by exercise of such powers. In the case of the IHA established pursuant to State law, the applicability of the Indian Civil Rights Act shall be determined on a case-by-case basis. Development subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(2) In the case of Indian tribes and IHAs, compliance with the requirements of this section shall be to the maximum extent consistent, but not in derogation of, the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)).

(b) *Affirmative fair housing marketing.* The recipient must adopt a strategy for informing and soliciting applications from people who are least likely to apply, because of race, color, religion, sex, disability, familial status, or national origin, for the program without special outreach, consistent with the affirmative fair housing marketing requirements. (See 24 CFR 92.351 for an example of an affirmative strategy.)

Paragraph (b) of this section does not apply to Indian tribes and IHAs, as described in paragraph (a)(1) of this section.

(c) *Authority for collection of racial, ethnic, and gender data.* HUD requires submission of racial, ethnic, and gender data under this part under the authority of section 562 of the Housing and Community Development Act of 1987 and section 808(e)(6) of the Fair Housing Act.

(d) *Requirements applicable to religious organizations.* Where the applicant is, or proposes to contract with, a primarily religious organization, or a wholly secular organization established by a primarily religious organization, to provide, manage, or operate housing under the program, the organization must undertake its responsibilities under the homeownership program in accordance with the following principles:

(1) It will not discriminate against any employee or applicant for employment under the program on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion;

(2) It will not discriminate against any person applying for housing or other assistance under the program on the basis of religion and will not limit such assistance or give preference to persons on the basis of religion;

(3) It will provide no religious instruction or counseling, conduct no religious services or worship (which term does not include voluntary, non-denominational prayer before meetings), engage in no religious proselytizing, and exert no other religious influence in the provision of assistance under the homeownership program.

§572.410 Environmental procedures and standards.

(a) *Planning grants.* HUD has determined that its approval of applications for planning grants under this part is categorically excluded from environmental review and compliance requirements of the National Environmental Policy Act of 1969 (NEPA) and that other Federal environmental laws and
